Refer a friend and you'll both receive \$30!*

After over 60 years of great service, why wouldn't you refer your friends to the Estonian Credit Union?

It's this easy:

Refer your friends and family to ECU by sending them this form with the following information filled out.

Your Name: _____

Your Telephone #: _____

Your Address: _____

Friend's Name: _____

The new member then just has to present this form when opening their account!

*Referring member must have an active account with ECU (min. age of 18). The new member must be at least 16 years of age, meet the requirements for membership at the ECU and open a personal chequing or savings account. To receive the \$30, the new member must hold an active account for at least 60 days. Alternatively, acquiring an investment product (TFSA, GIC, mutual fund, etc.) or a loan (personal, mortgage, etc.) also completes the referral process. Both, the new member and the referring member will have the \$30 automatically deposited into their accounts within 60 days of meeting the promotional requirements. Other restrictions may apply.
